Announcing Revels Spring Sing: A Free Family Celebration of the Vernal Equinox, Sunday, March 21 at 5:00pm ET on Facebook Live!

Spring is in the air! That means Revels is gearing up for our annual celebration of the Vernal Equinox! This year's ***Spring Sing***, part of our 2021 **#RevelsConnects performance series**, will take place on **Sunday, March 21 at 5:00 pm ET** on Revels **Facebook Live page: www.facebook.com/therevels/live**.

Revels launched ***Spring Sing*** more than 25 years ago to celebrate the spring equinox in song and poetry. **This year's theme is "Renewal"** and includes song and poetry with uplifting and hopeful energy and excellent singalong potential. In addition, two young poets will be reciting their own poems, written expressly for this year's ***Spring Sing***.

Featured song leaders include Revels Artist in Residence **David Coffin**, musicians **Linda Brown San Martin, Derek Burrows, Natty Smith and Erika Roderick**, and Revels acting Music Director **George Emlen**. (George will also host the event.) Two pairs of young sisters – one from Ireland – will also lead us in song.

***Spring Sing* is a free virtual event and is supported, in part, by the Mass Cultural Council, a state agency.**
